This Order sets forth the guidelines for polygraph and C.V.S.A. examinations administered by the Lafayette Police Department.

POLICY

It shall be the policy of the Lafayette Police Department that polygraph and C.V.S.A. examinations be utilized as a supplement to, not a replacement of, traditional investigative techniques. Polygraph and C.V.S.A. examination results shall not be used as the sole determining factor in any investigation – either administrative, criminal, or for pre-employment purposes. **Under no circumstances shall any departmental employee who is not legally trained to do so, perform any such examination.** All polygraph and C.V.S.A. examinations shall be conducted in accordance to the operator's training, certification and licensing laws set forth by the State of Louisiana. Both polygraph and C.V.S.A. examinations shall only be conducted within the scope of the examiner's employment with the Lafayette Police Department. Private testing is strictly prohibited. It is the responsibility of the individual polygraph and C.V.S.A. examiner to maintain their respective case files and their required certification and/or continued education. (CALEA – 32.2.5, 32.2.6, 42.2.6)
